The ACA and Beyond: 
The Ethics and Future of Health Reform

October 17-18, 2014

Hampton Inn & Suites at the University of Missouri • Columbia, MO

This conference will examine the ethics of health policy formation and realization, specifically as related to the Affordable Care Act (ACA). Learning sessions will examine the barriers and benefits to ACA implementation, impacts on vulnerable populations, and innovations in health care delivery.

Presented by:
MU Center for Health Policy
MU Center for Health Ethics
MU Office of Continuing Medical Education
MU Sinclair School of Nursing
MU Extension

AGENDA

Friday, October 17, 2014

7:00 Registration and Breakfast
8:00 Welcoming Comments
8:15 Keynote: Megatrends: Health Care Reform and the Future of American Medicine
Ezekiel Emanuel, Vice Provost for Global Initiatives; the Diane v.S. Levy and Robert M. Levy University Professor, and Chair of the Department of Medical Ethics and Health Policy at the University of Pennsylvania
Learning Objective:
1. Discuss key provisions of the ACA and their initial impact on the cost, quality and access to health care in the United States.
2. Identify the major challenges that rising costs and downward price pressure pose to various stakeholders throughout the health care system.
3. Critically examine theories related to the possible evolution of the health insurance and hospital industries due to changes set in motion by the ACA.

9:45 CONCURRENT BREAKOUT SESSION I

1) Tactical Use of Health Technology Information
Panelists:
• ShowMe ECHO™ - Rachel Mutrux, Director, Missouri Telehealth Network
• Direct-to-Consumer Health Care - Karen Edison, MD, Director, MU Center for Health Policy
• Information Exchange
  Mark Pasquale, Chief Executive Officer, Missouri Health Connection
Learning Objectives:
1. Discuss the role of Telehealth in improving the management of chronic disease.
2. Discuss strategies to encourage stakeholder health information exchange.
3. Explore what Missouri Health Connection is doing to improve care quality and reduce cost.
4. Discuss the pros and cons of direct-to-consumer online health care.

2) Medicaid in Missouri: Where Are We Today?
Thomas McAuliffe, Policy Analyst, Missouri Foundation for Health
Learning Objectives:
1. Discuss current Medicaid policy in Missouri.
2. Discuss the Health Insurance Marketplace in Missouri and the opportunities it affords to the uninsured and where there are gaps in coverage.
3. Describe what it means to expand Medicaid in Missouri.

9:30 Break
3) Not Your Mother’s Medicaid: A State Perspective on 2014  
Judy Zerzan, MD, MPH, Chief Medical Officer, Colorado Department of Health Care Policy and Finance  
Learning Objectives:  
1. Discuss Medicaid expansion claims data and experience in Colorado regarding the diseases people have and how they’ve used benefits to address needs like expanding adult dental, advance directives and the Accountable Care Collaborative.  
2. Discuss provider networks- where are the gaps and how has the ACA section 1201 helped?  
3. Describe the alignment of federal and state services.

10:45 Break

11:00 CONCURRENT BREAKOUT SESSION II  
1) Health Care Delivered Where People Live, Learn, Work and Play  
Panelists:  
- Community Health Workers- Dennis Dunmyer, BBA, MSW, JD, Vice President of Behavioral Health and Community Programs, Kansas City CARE Clinic  
- Workplace Wellness- Laura Schopp, PhD, Wellness Program Director, Healthy for Life: T.E. Atkins University of Missouri Wellness Program  
- School based care- Samantha Marquard, APRN, FNP-C, MPH, Saint Louis University, School of Nursing  
Learning Objectives:  
1. Explore the approach to Missouri’s Community Health Worker workforce.  
2. Discuss the role of school-based health care in preventative medicine.  
3. Discuss examples of workplace wellness programs that create healthier employees while improving an organization’s bottom line.

2) What’s Going on with Medicaid Expansion  
Ann Marie Marciairille, JD, Associate Professor, University of Missouri- Kansas City, School of Law  
Learning Objectives:  
1. Understand the current status of Medicaid expansion under the ACA, with particular attention to developments in Missouri and Kansas.  
2. Discuss the different models of Medicaid expansion and non-expansion being pursued in the other 48 states.

3) Reducing Health Costs - Steven Webber, BS, State Representative, Missouri House of Representatives  
Learning Objective:  
1. Discuss the importance of reducing healthcare expenditures and explore possible routes to doing so.

12:00 Lunch

12:45 Keynote: Education: A Key to a Healthy America  
M. Joycelyn Elders, MD, 15th Surgeon General of the United States

1:45 Break

2:00 CONCURRENT BREAKOUT SESSION III  
1) Increasing Access and Opportunities for Quality Care  
Panelists:  
- Population Health and Improving Quality  
  Leslie Porth, BSN, MPH, Vice President, Missouri Hospital Association  
- The Power of Transparency in Controlling Costs and Improving Care  
  Louise Probst, Executive Director, St. Louis Area Business Health Coalition  
- Marketplace Navigators  
  Jeremy Milarsky, MPA, Primaris  
Learning Objectives:  
1. Discuss innovative approaches to managing patient populations.  
2. Review national and state efforts to ensure transparency of information related to the quality and accessibility of health care.  
3. Reflect on navigator development in Missouri and start visualizing the future of navigator services.

2) Justice and the ACA - Peter Vallentyne, PhD, Florence G. Kline Professor of Philosophy, University of Missouri  
Learning Objective:  
1. Discuss key moral considerations in favor, and against, the justice of the ACA.

3) Implementing the ACA: the Executive, Judicial and Legislative Branches - Lael Keiser, PhD, Associate Professor, Truman School of Public Affairs; Justin Dyer, PhD, Associate Professor, Truman School of Public Affairs  
Learning Objectives:  
1. Discuss the importance of implementation in determining the future of the ACA.  
2. Explain the role of the Executive Branch, Courts and Congress in the rulemaking process.
3. Discuss the implications for recent court decisions on implementation.

3:00 Break

3:15 CONCURRENT BREAKOUT SESSION IV

1) Online Health Benefit Marketplaces
   Tami Gurlez-Calvez, PhD, Associate Professor, University of Kansas Medical Center
   Learning Objectives:
   1. Identify the types of Health Benefit Marketplaces.
   2. Describe the implications of Marketplace type for consumers based on pending litigation and subsidy status.
   3. Explain consumer experiences and new developments for the 2015 open enrollment period.

2) The ACA and the Politics of Reproductive Health Care - B. Jessie Hill, JD, Associate Dean for Faculty Development and Research, Case Western Reserve University School of Law
   Learning Objectives:
   1. Discuss the various ways in which the ACA affects the delivery of reproductive health care.
   2. Describe how controversy over reproductive health care under the ACA reflects broader social, political and ethical disagreements about the meaning of health care and of reproduction.

10:30 Break

10:45 Home and Community-Based Long Term Services and Supports: Health Reform's Most Enduring Legacy?
   Marshall Kapp, JD, Director, Florida State University Center for Innovative Collaboration in Medicine and Law
   Learning Objectives:
   1. Understand the ongoing evolution, including ethical and policy underpinnings and influences, in the long-term care of older Americans away from institutional arrangements and toward home and community based long-term services and supports.
   2. Appreciate the actual and potential role of the ACA and other facets of health reform in promoting or inhibiting the success of home and community-based long-term services and supports in meeting the needs of an aging U.S. population.

11:45 Adjourn
Location
Hampton Inn & Suites at the University of Missouri
1225 Fellows Place, Columbia, Missouri 65201
Phone: (573) 214-2222
