Navigating the Complexity of Mental Health Needs in Society: The Intersection of Ethics, Policy and Practice

October 30-31, 2015 • Stoney Creek Inn • Columbia, MO 65203

This conference will focus on navigating ethical challenges when working to improve access and delivery of mental and behavioral health services. Conference participants will discuss issues at the intersection of mental health clinical practice, law, and ethics as well as review policy reform and advocacy actions aimed at improving treatment of people with mental and behavioral health challenges.

Presented by:

MU Center for Health Policy
